

LAW ENFORCEMENT MANAGEMENT SYSTEM (LEMS)
Education Tracking

Education Tracking is an application that allows for the tracking of education by individual employee.

NCIC Fingerprint training, CPR, gangs, would be examples of education that would be tracked by this system. The purpose being to query the system at any point in time for possible position openings, or just be able to track education by employee.

SYSTEM HIGHLIGHTS:

- User friendly and employee name driven.
- Tracks education by employee.
- Tracks education by education type.

SAMPLE ENTRY DISPLAY

The screenshot shows a Windows XP desktop environment. At the top, a blue taskbar contains the window title 'SteveJD' and standard window controls. The main area is a grey terminal window displaying a menu. The menu header includes 'LEMS POLICE/SHERIFF DEPT', 'Education Tracking System', and 'Add/Update Officer Education'. It also shows 'ETS001B' and navigation options: 'F2=Add Education', 'F5=Return Search', and 'F7=Return to Menu'. Below this, the 'Officer Name' is listed as '201 TRUNNER, HAL'. A table of courses follows, with columns for 'Line', 'Date', 'Course Name', and 'Sponsor'. The courses are numbered 01 through 10. At the bottom of the terminal, a prompt asks to 'Enter Line # of Desired Course' with '00' entered. Below the prompt, it says 'SELECT LINE NUMBER AND PRESS ENTER'. The Windows taskbar at the bottom shows the 'start' button, several open application windows (including 'Inbo...', 'Stev...', 'FSG...', 'Highe...', '1 Re...', 'High...', 'HighI...'), and system tray icons. The system clock shows '9:07 AM'.
