

LAW ENFORCEMENT MANAGEMENT SYSTEM (LEMS)

Receipts System

The Law Enforcement Management System's Receipting System allows your department the ability to generate receipts for any type of money received and to generate computerized reports for balancing and audit trail purposes.

SYSTEM HIGHLIGHTS:

- Generates a "hard" copy receipt.
- Generates Inmate and Department Cash Summary reports for audit purposes.
- Updates the inmate balance on initial book-in. (If you have Jail Booking and interface flag=yes).
- As an option, you can use a special receipt with multiple copies that will print three receipts per page, or you can print one receipt on a regular 8-1/2 X 11 piece of paper. If you choose to use the "special receipt" you will need to purchase a Lexmark 2480/2490 dot matrix printer.
- Interfaced to Jail Booking and Civil Process.
- **Entry programs:**
 - Enter an Inmate Deposit
 - Enter a Bond Receipt
 - Enter a General Receipt
 - Void a Receipt
 - Court Master File Maintenance
 - Account Distribution Master
